DIRISIPO ABHISHEK
Cybersecurity Analyst /CEH Master

ACHIEVEMENTS:

- **Reported 120+ websites and 80+ fixed vulnerabilities in Open Bug Bounty program and certified as Outstanding researcher**
  link: https://www.openbugbounty.org/researchers/AbhishekDirisipo/certificate/
- **Achieved Certified Ethical Hacker Master certification (CEH Theory + CEH Practical)**
- **Found a bug in BugCrowd and got bounty 0.01 BTC(bitcoin) and 25+ valid reports .**
- **Found a critical p1 bug in Zebpay and got rewarded USDT**
- **Found a critical p1 bug in Nvidia**

   Hall of fames/ acknowledgements:
1. **Nvidia 2023 (https://www.nvidia.com/en-us/security/acknowledgements)**
2. **NiceHash 2022 (https://bugcrowd.com/AbhishekDirisipo)**
3. **Zebpay 2023 (https://zebpay.com/bug-bounty)**

TECHNICAL SKILLS:

- **Cyber security:** *Vulnerability Assessment ,Penetration Testing , firewalls, Risk Assessment, Web Hacking , Android Hacking, Sql injection, OWASP Top 10, System hacking ,Footprinting and Reconnaissance ,session Hijacking , Evading IDS and firewalls , exploitation , wifi-hacking, API pentesting*
- **Tools :**
  Burp-suite, OWASP Zap, Sqlmap ,Nmap ,Wireshark , Metasploit, Nessus ,Aircrack-ng, OpenVAS, John the ripper ,W3af, Nuclei , Nikto and other
- **Linux and unix operation (Kali Linux , Parrot OS , Mac OS) and windows**
- **Programming Languages: Python, bash, C**
- **Data Base: MySQL**
- **Web Technologies: HTML, CSS, Javascript**

Professional Experience:

- **Cyber Security Analyst | Amyntor Tech Solutions   Dec/2023 - Present**
- **Security researcher | BugCrowd   Aug/2022 - present**
- **Security researcher | OpenBugBounty   Sep/2022 - present**

Internships:

- **Cybersecurity internship by Blackbucks PVT Ltd   Jun/2022 - Jul/2022**
- **Cybersecurity internship by EduSkills Palo Alto   Oct/2022 - Jan/2023**
- **Full stack web development using Django - Henotic Technologies PVT Ltd Jul/2023 - Aug/2023**

Projects:

1.Title : **Provided free assistance in fixing vulnerabilities for more than 60 public websites.**
 Description: Played a pivotal role in resolving over 60 bugs on open public websites, earned certification as an Outstanding Researcher for my contributions in fixing more than 50 websites: (https://www.openbugbounty.org/researchers/AbhishekDirisipo/certificate)

2.Title: **Vulnerability assessment and penetration testing on Thermofisher.com website**
Description: performed VAPT on thermofisher website and found critical bugs like : 3 SSRF, 1 RCE and 6 XSS

3.Title: **Performed VAPT on rts.ae (dubai domains of 30+)**
 Description: as a cybersecurity analyst in Amyntor Tech solutions , I have done VAPT and given report with appropriate measures

4.Title: **A Single python tool to find XSS,DOM XSS,SSRF,SSTI,Blind RCE & Sql injections**
 Description: Developed a python tool to find XSS(cross site scripting) bug with multiple encodings and parameters CEH to find bugs for my personal use. released for windows(.exe) & python3(.py) : https://github.com/Abhishek-Dirisipo/Ultimate-XSS-Initiator

5.Title: **Digital Forensics and Windows Payload -BLACKBUCKS**

Description: a team of 5 worked on 2 Cybersecurity projects based on sending a binded .exe payload to the victim windows using Metasploit -to- victim browser and obtaining reverse connection through it after downloading the file and bypassing router login and analysing the victim router logs.

6.Title: **AI&ML Based IoT applications - HMI ENGG SERVICES**
Description: project based on Applications of IoT using AI&ML by developing an automated equipment/device using Arduino board, ultrasonic sensors, leds and with little program uploaded into the Arduino using pc/laptop for Social distancing device(100 cm distance detection),with 5 equipments.

7.Title: **Played Pivoting role in clearing CERT-In certification challenge in "Amyntor Tech solutions .pvt.ltd" as cybersecurity Analyst**

EDUCATION

●**BTECH- Artificial intelligence and data science**   Oct '21 - Mar '24

SRKR engineering college   Bhimavaram

Bhimavaram, West Godavari

Academic qualification 2021-2024 : 7.54 CGPA

●**DIPLOMA- Electronics and communication engineering**   Aug '18 - Sep '21

S.M.V.M government polytechnic college   Tanuku

Tanuku,west Godavari

Academic Qualification average :74%

●**6th -10th**   Jun '13 - Apr '18

Jawahar Navodaya Vidyalaya   Pedavegi

Pedavegi,west Godavari

CBSE - Central Board of Secondary Education

CERTIFICATIONS:

- **C|EH MASTER by EC-Council (Certified Ethical Hacker v12)**
    Name: DIRISIPO ABHISHEK | Cert No : ECC1892547630 (Verification Link: https://aspen.eccouncil.org/verify **)**
- **Cybersecurity certification issued by Blackbucks engineering private limited.**
- **Outstanding Security Researcher issued by Open Bug Bounty program**
- **APSCHE- EduSkills Palo Alto Cybersecurity Virtual Internship**
- **AI&ML Based IoT applications certificate issued by HMI engineering services**
- **CODE RED EC-COUNCIL certificates on : 1.Capture the flag(CTF) V-1 | 2. CTF V-2 | 3. CTF V-3 |**
- **Nation Cadet Corps (NCC) A and B**
- Python programming - Cisco

CO-CURRICULAR ACTIVITIES AND PARTICIPATIONS:

- **CTF capture the flag conducted by CySecK**
- **Senior vocabulary bee competition conducted by 'North South Foundation' and got 2nd rank**
- **Cybersecurity attackers vs defenders event during internship**
- **Attended a Workshop on IoT in our college**

PERSONAL COMPETENCIES:

- **Participated in Drawing Competition on National Science Day (ICAR) and got 1st Prize out of 4 schools.**
- **National Cadet Corps (A) Mar/2015 - Aug/2017**
- **National Cadet Corps (B) Apr/2018 - Jan/2022**

Languages Known

- **English**
- **Telugu**
- **Hindi**
- **German (basics)**
